ANDREW ENNIS McLOUGHLIN

How do you feel about leaving school?

I am not sure about the feelings I have. I am happy but sad also as I had a great few years and have made great friends. I am looking forward to facing the new world though.

What do you hope to do in the future?

In the future I am hoping to study Accounting in Tallaght or become an Electrician. Fingers crossed!

How do you feel about your exams coming up?
